Anchor text mix

Branded 33% · Descriptive 33% · Partial match 17% · URL 17%. Exact match anchors are kept low to protect your profile.

Guarantees on this order

Each placement met its DR and traffic guarantee at the time of delivery. If any link is removed, it is replaced free of charge on a site of the same tier or higher.

Next steps

Links are typically indexed within two to six weeks. Track rankings for your target pages and consider adding contextual links to the pages that move first.
